

Etoile

Design: Gian Vittorio Plazzogna

Etoile omaggia la storia del mobile di classe nei tanti accurati dettagli, e la reinterpreta secondo stilemi attuali che si caratterizzano per linearità e coerenza.

Una cucina in cui il passato si intreccia indissolubilmente al presente per un ambiente ricercato e senza tempo.

Etoile pays homage to the history of high-class furniture in its many accurate details while reinterpreting it using trendy stylistic elements that are distinguished by their linearity and coherence. A kitchen with a past that blends indissolubly with the present to create a refined and timeless atmosphere.
