Design: Gian Vittorio Plazzogna

La cucina è il luogo intimo della casa dove si ritrova l'armonia, dove si custodisce la tradizione e nascono i racconti della memoria. Elite esprime l'essenza di questo ambiente, offrendo alla modernità la possibilità di recuperare e sublimare il suo passato, comunicando un'atmosfera elegante e al tempo stesso rassicurante. Una cucina dal segno duraturo, che stimola emozioni forti e si conferma luogo d'incontro e di convivio.

The kitchen is the intimate place in the home where harmony reigns, where tradition is preserved and tales of old are told. Elite expresses the essence of this room, offering modernity the possibility of recovering and exalting its past and communicating an elegant and reassuring atmosphere. A kitchen that makes a lasting mark, that stimulates strong emotions and is acknowledged as a place where people meet and enjoy the pleasures of the table.
